A JOURNEY OF A THOUSAND MILES BEGINS WITH ONE STEP

A freshman may casually decide to join the Dramatics Club or the Nurses' Aid, and yet his decision could lead to a career as an actor or a playwright, as a nurse or a doctor.

Aspiring to make the first string of the football team, a determined freshman may apply himself to a year of practice and study, and yet he may not play in one game. If he pursues his goal in his sophomore year he may see action for only five or ten minutes all season. By the time he is a junior, he may have acquired the skill and seasoning to become a valued member of the team. Perhaps he may not secure a key position in the starting lineup until he is a senior.

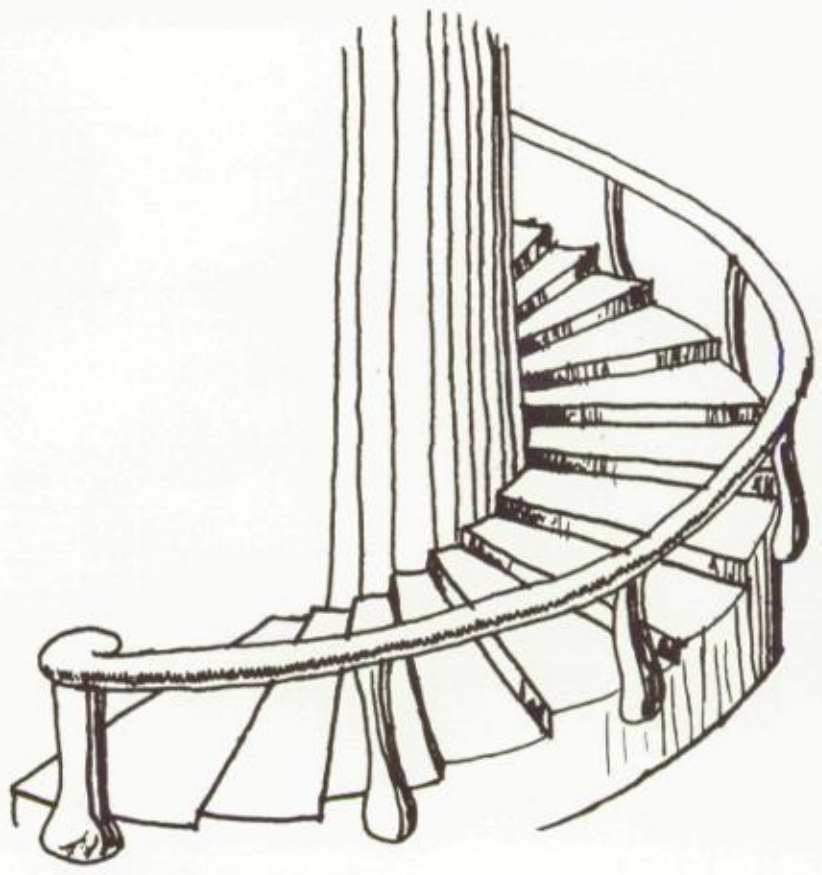
Teachers and what they teach are a large part of a student's life. Through knowing teachers and becoming interested in the material presented, a student comes to choose the field he will pursue in his journey of life.



CURRICULUM

ADMINISTRATION

CRISTOBAL JUNIOR-SENIOR HIGH SCHOOL: One of two U.S. high schools operated by the Civil Affairs Bureau of the Canal Zone Government.

MR. MAEDL PAYS TRIBUTE TO TIGER SPIRIT

Cristobal High School has long enjoyed a reputation for having an exceptionally fine school spirit. This has been in evidence not only at athletic contests but in many other areas of school life as well.

As one example, this past year the seniors expressed the desire to obtain for themselves additional privileges in school and during the lunch hour. To show that they understand that responsibility must accompany privilege, they appointed a committee which carefully worked out a code of conduct which they would adhere to and which they felt would be acceptable to the school and the community. The administration not only accepted the guidelines the students had set up, but applauded them for their achievement and for the fine spirit in which they had carried it out.

This is the Tiger Spirit at its very best. It is hoped that in the future years there will continue to be even greater demonstrations of this spirit.

CARL F. MAEDL ENDS ILLUSTRIOUS ADMINISTRATIVE TERM

MR. CARL F. MAEDL will long be remembered for his dedication to the students and to education at CHS for the past thirty-two years.

Mr. Maedl was born in South Dakota, January 14, 1909, and moved to Minnesota when he was four years old. He attended teachers college in Moorhead, Minnesota, and played football and hockey while in college. He taught in Davenport, North Dakota, and Sauk Rapids, Minnesota, before coming to Cristobal in the fall of 1938.

Mr. Maedl met his wife Alfhild at Sauk Rapids where she taught with him for three years. They were married in August, 1938, in Minneapolis.

At CHS Mr. Maedl taught 7th and 9th grade science, biology, was a counselor, assistant principal, and principal.

The gratitude of all the students you have helped shape goes with you on your retirement, Mr. Maedl.

Counseling was the primary guidance service provided at CHS. In the student-counselor relationship the student freely expressed his ideas and feelings and the counselor showed how interest, aptitudes, and abilities work together.

Through various activities the counselors provided information about careers and the various opportunities for post-high school education. They provided facts about the many available technical schools, apprentice programs, and vocational programs. They assisted students in selecting colleges, applying for admission, and applying for financial aid.

The guidance center also administered standardized tests and College Entrance Board exams such as the PSAT, SAT, and the ACT.

After school hours the library is often crowded with students and adults of the community doing research or reading.

This year CHS had a new librarian, Mr. Wells. Students doing research work found that Mr. Wells and his able student helpers were always ready to assist them when help was needed.

In special education students received extra help in their academic studies, learned crafts, and learned the perspectives of human relationships and civic responsibility. Many of these students received additional help in certain scholastic courses.

Excellent reading skills are required for academic success. The remedial reading program at CHS provided special instruction to improve reading skills and help assure a student of success in keeping with his ability. Seemingly average students have improved the quality of their reading skills and thereby became quite outstanding students in their chosen field.

ART EDUCATION PROVIDES OPPORTUNITIES

Art enriches human happiness and promotes sound personality and character. To some degree everyone needs to be creative.

The objective of the Cristobal High School art program is to increase the opportunity and desire to create, and to develop the individual's potentials for creating, understanding, and appreciating.

Students had the opportunity to perform creatively in a variety of methods and media. Drawing, painting, craft work, and art history was covered.

The above were some of the ideas students understood after taking General Business. The CHS commerce program offered the student many vocational and personal opportunities. College bound students benefited especially by learning typing skills.

Students in these classes battled the facts and figures to solve baffling equations and theorems. Protractors, compasses, and slide rules constituted the equipment carried by students as they tested their logic while solving problems. The knowledge gained will prepare students for college and provide the math background essential for many careers.

Biology stressed the relationship of all living things in respect to their chemical and physical environment. Chemistry taught the atomic theory and the nature of matter. Physics provided a study of matter and energy and their interactions. It also provided practical applications of these concepts and principles in problem solving.

ROBERT E. McCULLOUGH—Social Studies 7

Mr. McCullough is the Safety Club assistant sponsor. He enjoys living in the Canal Zone because outdoor activities are possible nearly every day. His hobbies include hiking, and collecting stamps and coins. His advice to students: "You have started to be become what you are going to be."

STUDENT

Involved in the social activities of his school, a high school student advances a step as a human being when he learns to accept all manner of things that are totally different from what his past experience makes easy to understand and like. A high school society abounds with difference; it not only offers the possibility of becoming tolerant, it makes it almost impossible to ignore its lesson.

LIFE

THUNDEROUS RAIN ACCOMPANIES FRESHMAN SOPHOMORE BRAWL

With enthusiasm, the girls express their competitive spirit.

The rain poured, the mud splashed, but the girls' spirit was *not dampened.*

It was a rainy day and the field was muddy as the Freshmen and Sophomores competed on September 2, 1969.

Challenging cries were heard after school as each class prepared for "battle." The girls screamed, the boys shouted, and the "battle" was begun. The mud rose high to cover legs and faces.

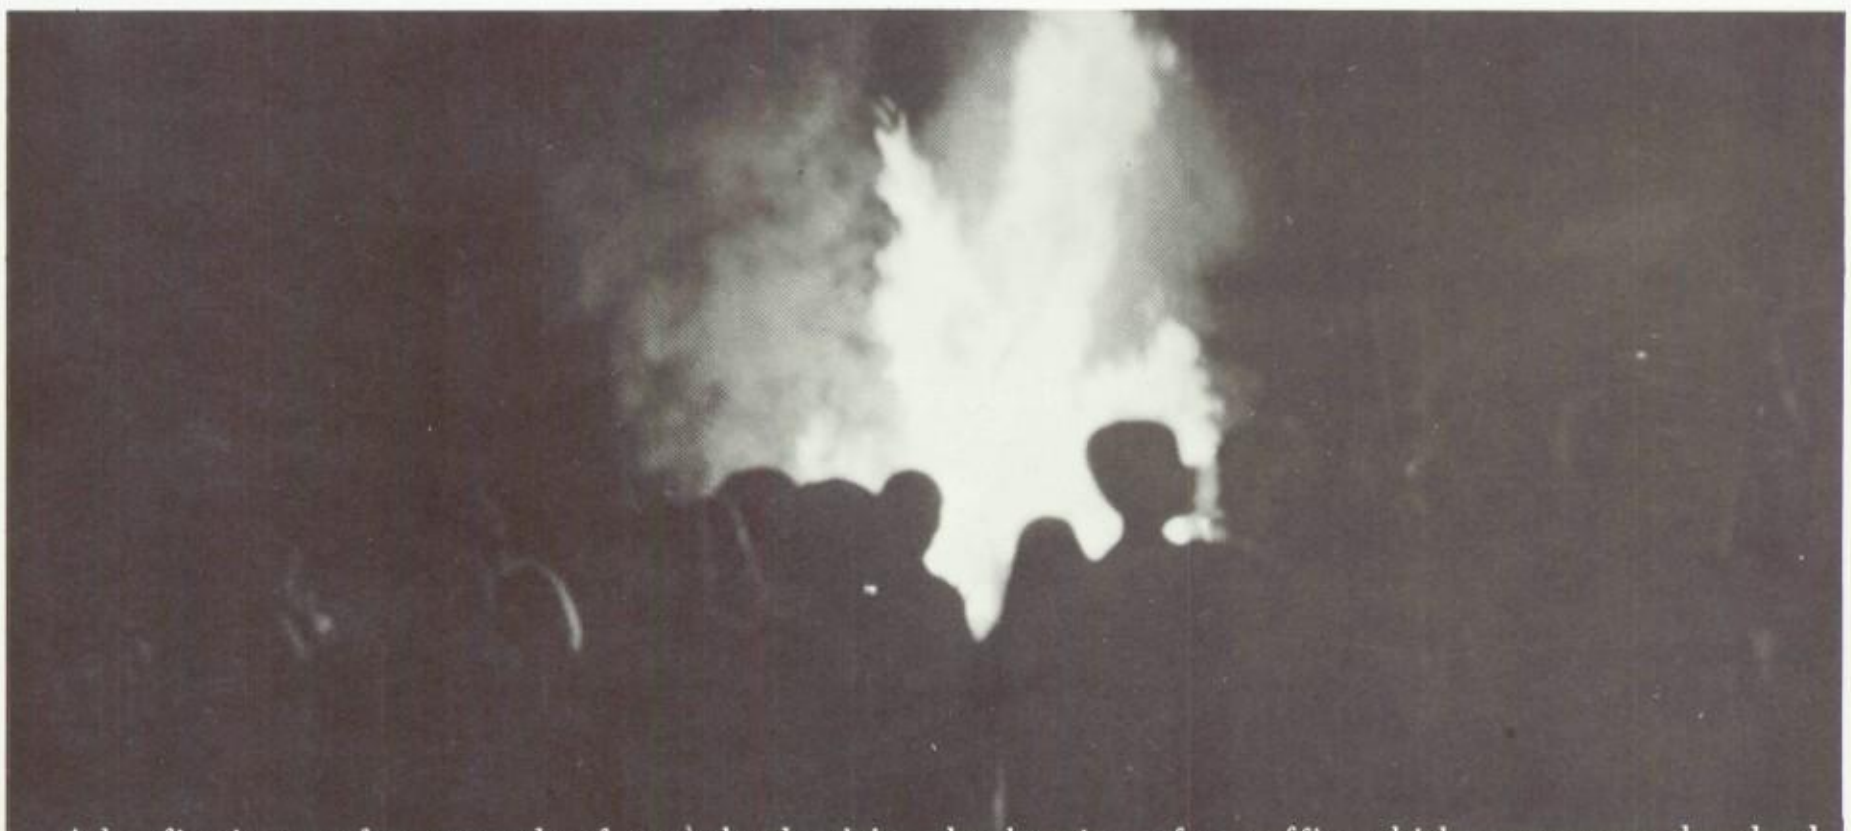
When the commotion subsided, the scores were tallied and the Sophomore Class was declared the winner. The defeated Freshmen, however, were already making future plans to win at next year's brawl.

It isn't every day that we get to chase a giant ball of "yarn."

The gathering crowd anxiously awaits the burning of its foes spirits.

BONFIRE SPARKS C.H.S. FOOTBALL SPIRIT

Silhouette of a cheerleader performing a cheer before the thirsty Tigers.



A bonfire is a perfect example of our school spirit. Each year, the Tigers build a bonfire to demonstrate to their football players how strong their spirit burns. This demonstration serves as a sparker for dwindling spirits in any student and as a booster for the team's moral.

This traditional event is held on the night before the Jamboree. It is preceded by a Snake Dance and the bearing of a coffin which represents the dead Spirits of Balboa's Bulldogs and College's Green Devils. The coffin and its contents are placed on a huge pile of wood which is then set on fire. The ending of this demonstration is characterized by a pile of ashes from which the dead spirits of the Bulldogs and the Green Devils "rise into the atmosphere" as a thin smoke.

ANNUAL FOOTBALL JAMBOREE

September 19, 1969 marked the twentieth time Canal Zone College and Balboa High School crossed the fifty miles of the isthmus to participate in the Football Jamboree.

Preluding the game, the Jamboree Queens were presented to the crowd from their reserved area in the grandstand. Cristobal's lovely queen was Ann Hirons.

The game was played in a constant downpour. In the first quarter Balboa and College fought to a scoreless tie. Amidst thunderous cheers, Cristobal defeated Balboa in the second quarter 18 to 0, but in the final quarter College downed Cristobal 6 to 0.

This year, for the first time, the winner was determined by the number of quarters won instead of the total points scored. College won the Jamboree by winning one quarter and tying one. Cristobal came in second by winning one quarter and Balboa came in last losing one quarter and tying one.

Coach Agee and Coach Dedeaux express anxious moments along with the rest of the team.

REPRESENTS THE TIGERS

Attending the pep rally at Cristobal are Balboa's Stephanie De Heart, and College's Jeanne Chance. Cristobal's Ann Hirons was unable to attend.

GARY ROBERTSON WINS S.A. PRESIDENCY

In April the S.A. held its annual Election Day. For several weeks previous to the event, campaign posters hung from every available space in the building. Hectic weeks they were for any student running for office. Campaign speeches, passing out booster tickets, promises of change, and making their stand known to the student body were some of the preoccupations of the candidates. A competitive atmosphere prevailed adding to the excitement as election day grew near.

Amidst the confusion however, we successfully elected our S.A. officers without any incidents. The results were satisfying to the student body which for the 1969-70 school year elected Gary Robertson President, Robert Philips Vice-President, Denise Ward Secretary, and Nelson Escribano, Treasurer.

PRACTICING OVERTIME BRINGS GOOD CHEERLEADING RESULTS

Selected faculty members had the honor and privilege of choosing our cheerleaders, who led the shouting pack of Tigers at the sports events. CHS cheerleaders for the year '69-'70 were: Cissy Carey, Debbie Christian, Ann Hirons (captain), Shelley Lund, Mary Redman, Eileen Ridge, and Dita Workman. This year the girls practiced overtime in order to study and learn new cheers which varied from the familiar cheers of the past. The new routines added zest to the cheering and pleased the students.

RANDY HULL CROWNS JEAN

Miss Jean Housley reigned as Queen at the nineteen sixty-nine Homecoming Dance. Queen Jean I and her court were selected by the members of the football team. The Queen and her court presented a memorable sight. The court was composed of Gloria Rice, Evelyn Legrand, Denise Ward, and Debbie Christian and their escorts were Nelson Escribano, Robert Novak, Clay Dowell, and Joe Cronan. Randy Hull received the special honor of escorting Queen Jean.

Following the Coronation, the dance continued to the music of THE CROWD PLUS ONE. The success of the evening of October 11, 1969, was made possible by the members of the "C" Club and the G.A.A., who jointly sponsored the dance.

S.A. GETS CONSTRUCTION OF STUDENT LOUNGE UNDERWAY

Student Association
1969-1970

Extracurricular activities for the school year 1969-1970 were planned and carried out by the hard working Student Association. Gary Robertson, S.A. President, led his officers and homeroom representatives through a year of change and progress. Mr. Hieronymus, the Student Association sponsor, guided the organization while it devised pep activities such as the Freshman-Sophomore Brawl, the Snake Dance, Bonfire, various dances, and organized special trains for football games in Balboa. The Student Association boosted spirit by selling Tiger sweatshirts, hats, pennants, bumper stickers, and pencils. In its meetings, the council stressed ideas that would be beneficial to the school as a whole.

The Student Association sought to improve the conditions in the cafeteria, to reduce the price of the S.A. card, to promote the completion of a Student Lounge, and to instill spirit in the Student Body. The Student Association also aided in the organization of new clubs and provided a media for the transfer of information concerning all activities in and about the campus to the student body.

Mr. Hieronymus, S.A. sponsor, spends much of his time guiding the S.A. officers on their devised activities.

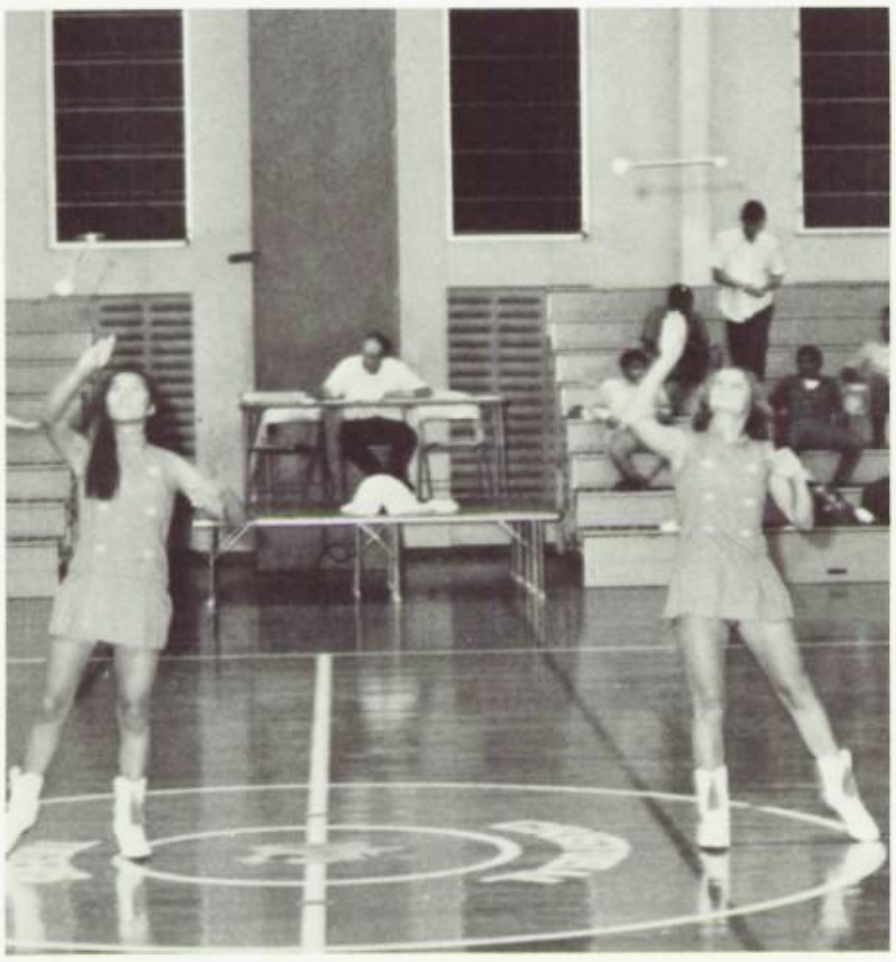
CHS MAJORETTES MARCH IN VETERAN'S DAY PARADE



Rita Boyland and Maria Boone perform a twirling duet at a basketball game in the CHS gymnasium.

The CHS Majorettes actually began their year before school started. They held summer practices, planned new day dresses, and made changes in the uniform. Their first performances were at the season's football games and pep assemblies. A great deal of work went into the routines used.

The majorettes also marched in the Veteran's Day Parade in Balboa. They finished the year with solo and duet performances at the basketball games. This year, the majorettes consisted of one third year member, two second year girls, and four new members. All in all, much was accomplished during a busy year, and even more success is hoped for next year.

MEET A BODY DELIGHTS AUDIENCE

Backstage, performers show signs of relief after a magnificent production.

On November 21 and 22, 1969, *Meet a Body* was successfully performed in the CHS auditorium. *Body* is a delightful murder comedy taking place at the MacGregor's Funeral Parlor. A stranger comes, orders his funeral and drops dead. One by one people appear at the funeral parlor in response to invitations that were sent earlier by the deceased. The fun begins when bodies drop and mysterious happenings begin to occur.

Meet a Body was directed by Mr. Carl Adcock and the student director was Ann Kienzle.

And to the class of '69 we dedicate our Prom."

The Juniors

"An Evening in Camelot" was presented by the Junior Class in honor of the Seniors. The prom was held in the Sky Room on April 26, 1969.

For many, it foreshadowed proms to come; for some, it was the successful climax for months of work; and for all the Seniors, it was a prelude to another journey.

A TOUCH OF SPRING AND CHRISTMAS SPIRIT

Decorations were up and the CHS music department was ready to give the audience a touch of spring with the 1969 Spring Concert. The Jr. High Band was followed by the Girls' Glee Club who sang Easter selections and finished with a Latin touch singing; "Una Tarde Fresquesita," "El Vito," and "Jamaica Farewell." The CHS Band started under the baton of Douglas McLain, band president and student conductor. Mr. Carwithen then took command and the band played from the classic, "St. Anthony Divertimento" by Haydn, to the popular, "Love is Blue."

The Christmas Spirit was lifted with the Christmas Concert which was presented December 23. Participating were the Jr. High Band, the Girls' Glee Club, and the CHS Band. The highlights of the evening were Mr. Berger's recitation of "The Night Before Christmas" with the CHS Band, and the candlelight singing of the Girls' Chorus and audience accompanied by the band. The concert proved to be a success, and a party was held afterwards at the Gatun Yacht Club.

CHS TALENT SHOW OUTSTANDING SUCCESS

Allen Harmon, Dionisia Nieves, Lydia Santiago, Jim Gray, and Joe Gattis made up the act known as "Shtick" which presented a variety of comedy skits.

On February 6, 1970, Balboa High School presented a talent show in the CHS auditorium. Not to be outdone, the students of Cristobal High School planned and presented their own Talent Show on March 12th. The show; consisting of sixteen acts including singing, dancing, guitar playing, and comedy and dramatic skits, was presented to a large crowd in the Cristobal High School auditorium. Masters of Ceremonies were Scot Hutchinson and Robert Novak. The show was enjoyed by all who attended and plans are now being made to present it to the students of Balboa High School.

Musical entertainment was provided by Titi Cole, Marian Kredell, Karen Currier, and Lynn Gregg as the "Golden Throats."

The "Baja Three"; Cindy Cottrell, Ann Gonzales, and Christi Atkinson presented several fine dance numbers.

An amusing comedy and song act was presented by the "Blue Bonnet Special" consisting of Brenda Gibson, Brenda Morrison, Donna Barger, Sue Mendanhall, and Daryn Barger.

ALL LOOK FORWARD TO TOMORROW

For Seniors, Tomorrow is only a Vision and Yesterday is a Memory. Many have planned their Tomorrows, looking forward to college and professions. But because their Tomorrows are only Visions, many of their dreams may be shattered, and in the course of living, their lives may turn out differently than they had planned. But if they will live each day completely and earnestly, they can make their Yesterdays Memories of Happiness and their Tomorrows Visions of Hope.

DIPLOMAS CLIMAX MEMORABLE YEAR

S adness, as we look back on the wonderful memories and friends we have to leave.

E ver grateful to the faculty and Administration for the help and understanding they have given us.

N ow that our Senior year has ended, we look forward to greater achievements, new hopes, new experiences.

I mplanted in our memories are the traditions of Cristobal and the Spirit of the Tigers.

O utstanding goals we might achieve if we strive for higher aims.

R eady to confront a new pathway of life to higher education and greater challenges to prepare for the future of tomorrow.

Four years have gone by, four years of hard work with brief intervals of good times, and we find ourselves ready to leave Cristobal to continue our education or to take places in the community. As the time approaches, we recall many of our exciting moments—moments which only a Senior can really enjoy—which only a Senior can fully understand.

SPORTS

One of the largest hurdles in life is the challenge of keeping your individuality while becoming a valuable part of a team. This obstacle is made easier by the sports program offered in school. Here, a student learns that he is an important member of a team, but only because of his special talent or skills as an individual. Teamwork also helps to overcome personal grievances and prejudices of the individual, through the struggle toward a common goal.

TIGER CAGERS EXPERIENCE ROUGH SEASON

The 1969 basketball season was another year of sorrow for CHS. The varsity looked like it had all the fine qualities of a top notch team but fell in front of the tide of College and Balboa. The biggest night of the season was a game against College in which the Tigers lost by four points in a triple overtime. Although they had a losing season, the team fought with determination and displayed the traditional Tiger Spirit to the end.

JUNIOR VARSITY TRIUMPHS

The Cristobal High School Junior Varsity basketball team had a very successful season in 1969. They were the Canal Zone Junior Varsity Champions with a record of five wins and one loss.

The success of the team was based on a good team effort, good team balance, and good bench support. The Tiger Junior Varsity team was able to fight back from behind on several occasions and was also able to play steady ball when the game was very close and the pressure was on.

TIGER VICTORIES RESULT OF TEAM WORK

The Tigers of 1969-70 started off the year as a new team having lost eight starters from last year's squad. As usual the Tigers came out fighting. They scored more points in the Jamboree than any other team but lost because of the new rule which awarded the Jamboree victory to the team winning the most quarters. The Tigers were after their third Jamboree win in a row. CHS then lost a hard fought game to CZC by a 10-6 score. In the second game of the season the Tigers beat Balboa 20-0. In the third game the Green Devils won over the Tigers by a score of 8-0. Balboa again was the victim of the CHS team by a 19-6 score. The Palm Bowl was won by the All Stars 21-13 over a strong College team.

In competition with Balboa the Tigers had a total of 11 wins and only 3 losses and 2 ties in the last eight years, and against College CHS had 6 wins, 7 losses, and 3 ties during the same eight years. In competition with the SDAC team the Tigers had 8 wins and 0 losses.

This year's victories were the results of outstanding team work on the part of each member on the Tiger Squad. Tigers on the All-Zone team were: Joe Cronan, Neil Patton, Clay Dowell, Wally Russon, William Huffman and Luis Domenech.

COMPETITION TOUGH SEASON

This year the Tigers had three practice meets before the championship meet was held on December 19, 1969. In spite of the effort and hard work, not enough first places were won to qualify the Tigers as champions. The following were the scores at the meets:

November 21 at Balboa
Girls: BHS—54, CHS—26, CZC—15.
Boys: BHS—74, CHS—23.

CHS THINCLADS ON ALL ZONE TEAM

Coach Robert Agee's track squad sported some outstanding performers this year. Niel Patton, Jr. tied a C.Z. high school record in the 220 wtih a time of 22:7. He won both the 220 and 100 in the Championship Meet and won the long jump and ran on the winning 880 medley relay team in the Balboa Relays.

Billy Deaton was undefeated in the 440 and ran on the winning relay team also in the Balboa Relays.

Will Huffman set a discus record in the Balboa Relays with a throw of 134 ft. He also won the shot event.

Niel, Billy, and Will were named to the All Zone Track Team.

INEXPERIENCE HURTS TIGER CHANCES

The Cristobal High School Tiger baseball team was made up of mostly new players this year. The only returning veterans from last year's championship team were Neil Patton, Dave Robertson, and Joe Cronan. The team looked good at times but with all the inexperienced players it was hard to play a complete ball game without making the mistakes that would beat a team. Next year's team should be better with most of the players returning and with a year's experience.

TENNIS TEAM MAKES GOOD SHOWING

The Cristobal High School Tennis team finished second this year in the Interscholastic Championships held in Diablo Heights. The CHS team compiled three points, CZC none, and the Balboa team captured the championship with a total of four points. Those boys scoring for CHS in the championship meet were Mike Dexter—#1 Singles Champion, Dee DeLapp—#3 Singles Champion, and the #1 Doubles championship team was made up of Mike Dexter and Doug Jeffries. The team made a very good showing in this meet and represented CHS very well.

During the regular season the Tigers defeated Canal Zone College 5-1 and lost to Balboa 4-3.

The following boys were the mainstays of the CHS tennis team this year: Mike Dexter, Clay Dowell, Walter Ilund, Dee DeLapp, Doug Jeffries, and Mike Snider.

Mrs. Harris shows symptoms of fatigue as Debbie Moore and Kathy Dockery converse with her.

A jump ball between Ana Reyes and an opponent.

Cristobal High School's "A" League girls' basketball team won the 1969 Canal Zone Basketball Championship, its first victory in six years. They achieved this by winning four of the five games.

Among the reasons for the girls' success were sportsmanship, compatibility, team spirit, and a strong determination to win. Other important factors were the expert coaching of Mrs. Harris, the able leadership of Captain Kathy Dockery and Co-captain Carol Tortenson. Encouraged by their success, the girls have visions of victory next season.

It's a long way to the basket, but Carol Tortenson shoots with confidence.

"B" LEAGUE GAINS EXPERIENCE

Standing: Judy Dohle (manager), Josephine Oliver, Nancy Gregg, Debbie Rowley (co-captain), Connie Clemons, Jane Dohle, Beth Wainio, Aurelia Williams (co-captain), Patty Snider.

Debbie Rowley and Connie Clemons leap for a jump ball tossed by Mrs. Harris during practice.

Cristobal "B" League team met with disappointment this year. Almost the entire team was comprised of inexperienced players who felt the pressure under game conditions. The team, however, must be given credit for its fighting spirit. Many of the girls expressed a desire to participate in either the "A" League or the "B" League again next year. Thus the girls' basketball team can well expect a winning season in the fall of 1970. Mrs. Harris wishes to express her gratitude to the team co-captains who were Aurelia Williams and Debbie Rowley.

"B" League members practice their basketball with their new uniforms.

ORGANI

Students participating in the various organizations have taken a big step in the journey of life. As a member of an organization, one realizes that creativity is not enough to carry a project through. Creativity must be tempered by practicality so that the project will serve its purpose, yet still retain the flair that marks it as a thinking man's project. Students involved in organizational work tend to be drawn together as they realize that man is not self-sufficient.

"These initiations make me thirsty!"

The Caribbean Chapter of the National Honor Society is composed of students who have shown superior traits of character, scholarship, leadership, and service. These honored students must also have at least a 3.00 grade average.

At the first initiation, which is held in the fall, only seniors are selected. This year, three girls were "tapped." They were: Anne Kienzle, Sarah Pritham, and Carmen Rivera.

For the second held in the spring, the traditional tapping ceremony was substituted by a new approach. Following the theme, "Now Generation," a rock band opened the assembly. After a speech describing how the four criteria are shown by members of the "Now Generation," the initiating took place. A question and answer period conducted by the old members revealed the names of the new members. They were: Lana Boone, James Cox, Jeannette Cox, Michael Dexter, Michelle Greene, and Robert Phillips. To conclude this second initiation, our principal, Mr. Maedl, was initiated as an honorary member.

The sponsor of this reputable organization is Mr. Gansen.

Leslie Marek "taps" Mr. Maedl.

FRENCH CLUB BOARDS PASSENGER LINER DURING FRENCH WEEK

The purpose of the French Club, sponsored by Mrs. Gegg, is to stimulate an interest in the French Language, culture, and history. To be a member of the club a student must carry a "B" average in French and must be enrolled in French III. Members speak only French at the meetings.

This year the members visited the passenger liner "La France" to celebrate French Week.

SPANISH CLUB POPULAR AT CHS

The main purpose of the Spanish Club is to bring together the Spanish speaking students and to offer an opportunity for its members to increase their understanding of Latin America and to become more familiar with the Republic of Panama. The members also tutor students who have difficulties in Spanish.

The Spanish Club, sponsored by Mrs. Elfers, had a high membership this year. The club met once a week and conducted all its meetings in Spanish.

Ivette Martinez, a member of the Caribe Club, tutors Clifford Couts, a seventh-grade student, in mathematics.

The purpose of the Caribe Club, or Future Teachers of America, is to promote a better understanding of the teaching profession. All students who have a "B" average are invited to join. They are initiated at the Initiation Banquet, held in November of each year.

This year the club sponsored Teacher's Appreciation Day in honor of the faculty of CHS. Each teacher was presented with candy and a poem, and cookies were placed in the teachers' lounge. The members also sponsored the highly successful Student Teachers' Day, on which students took over classes for the first four periods of the day. In March the Caribe Club members visited Coco Solo Elementary School in order to observe various teaching methods. The club members also tutor students have difficulty with various subjects.

This year the members of the club visited the Italian liner "Donnezetti." They also sponsored a dance held at the Fort Gulick Teen Club on May second.

Seated: Jeannette Cox (co-editor), Lana Boone. *Standing:* Linda Newman, Ivette Martinez, Ricardo Oliver, Ann Lauritzen.

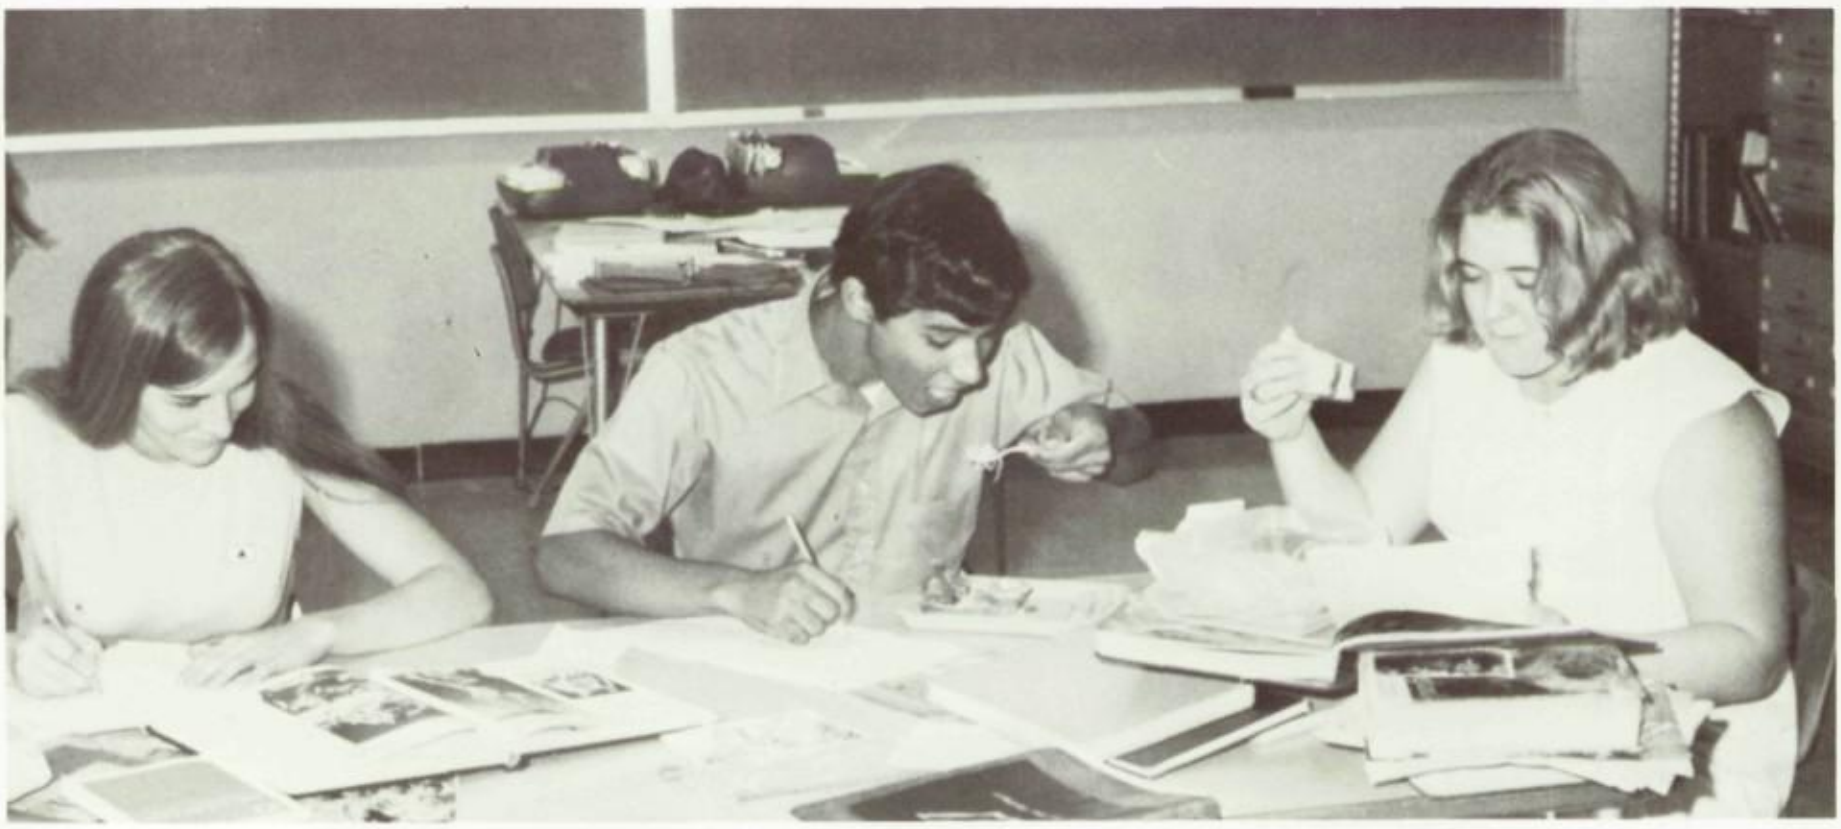
CARIBBEAN STAFF OVERCOMES ALL OBSTACLES

Anne Kienzle
(co-editor)

The yearbook staff has a great responsibility when it undertakes to produce the *Caribbean*. Editing a yearbook is not an easy task. It involves a lot of research, imagination, persistence, and organization. The staff member must work after school and at home if he is to achieve his goal.

Although it is a lot of trouble, everyone who works on the Caribbean Staff finds his efforts adequately rewarded on the day he receives his copy of the published *Caribbean*.

The sponsor of the Yearbook Staff was Mr. Koziol.



Lunch and work are combined by Deborah Gosney, Ricardo Oliver, and Linda Newman.

The struggle to put out a paper is generally unknown to the average person. The *Tradewind* goes through this struggle every month, coming out with a paper that is filled with articles, editorials, and occasional cartoons.

This year the *Tradewind* was sponsored by Mr. Dobbins and driven by a select group of students. They worked on the paper during journalism class and after school.

ART CLUB DESIGNS MURAL

Art Club members are: Allen Harmon, Dionisia Nieves, Lydia Santiago, Barbara Hartman, Daryn Barger, Donna Barger, and Debra Polite.

The Art Club is open to all senior high students interested in the creative arts. Its main function is to provide an opportunity for students to express their creative talents outside the classroom environment and to exhibit their works. The club also plans programs and projects in which members can develop their potentials for creativity, understanding, and appreciation of art.

This year the members sponsored an exhibit during the last week of April and designed a mural covering an entire wall.

ART CLUB OFFICERS: Lydia Santiago, vice-president; Dionisia Nieves, secretary; Allen Harmon, president.

SAFETY CLUB ENCOURAGES SAFETY PRACTICES

The Safety Club was formed in order to encourage safety practices among the students. It has the responsibility of arranging fire drills and safety demonstrations at Cristobal High School. This organization is sponsored by Mr. Reeves, assisted by Mr. McCullough.

Seated: Mr. McCullough, Debbie Coe, Denise Ward. *Standing:* James Cox, Debbie Meeker, Mr. Reeves, Ray Jackson, Bill Allen.

DRIVING TRAINING COURSE IS POPULAR

The Driver Training course is one of the most popular at CHS. It is a short course given several times during the school year and in the summer. Mr. Reeves is the teacher of this after school course.

OUTSTANDING MALE ATHLETES COMPOSE "C" CLUB

Front row: Robert Bloemer, Harry Townsend, Wallace Russon, Walter Ilund, William Huffman, Brandt Irion, Mitchell Blanchette, John Carlisle. *Second row:* Robert Phillips, Gary Riggs, Coach Dedeaux, Peter Swain, Thomas Pursley, Steve Cross, Billy Deaton, Oscar Ortiz, Luis Domenech. *Members not pictured:* Caleb Clement, Joe Cronan, Cyril De Lapp, Clay Dowell, Nelson Escribano, Randolph Hull, Neil Patton, David Robertson.

Anyone interested in knowing who the outstanding male athletes in C.H.S. are, will most likely find them in the "C" Club. There are 24 members in this club, whose sponsor is Coach Dedeaux. Each member has been a letterman before being elected to the organization.

The "C" Club initiation, which is held twice in the school year, is one of the most interesting ones in school. The initiates must obey all the commands given to them by the old members. These commands are usually the performance of embarrassing acrobatic feats without regard to spectators.

This club also assists the G.A.A. Club in sponsoring the Homecoming Dance.

Neither location nor spectators can prevent Robert Phillips, Thomas Pursley, and William Huffman from being initiated.

Front row: Aurelia Williams, Karen Currier, Heidi Sweeney, Jan Bjorneby, Jean Smith, Shelley Lund, and Nancy Edmondson. *Middle row:* Deborah Duncan, and Deborah Rowley. *Back row:* Dita Workman, Evelyne Legrand, Kathleen Dockery, and Patricia Austin.

GAA MEMBERS REFEREE ALL INTRAMURAL SPORTS

The Girls' Athletic Association is the female counterpart of the "C" Club. The latter one assists the former in sponsoring the Homecoming Dance.

To be a member of the G.A.A., a girl must letter in one or two sports and participate in all intramural sports. She must also go through a trying initiation similar to the one of the "C" Club, except that she has to wear some sort of ridiculous attire.

With the help of their sponsor, Mrs. Harris, the members of the G.A.A. referee all intramural sports.

NURSES AIDES CLUB PROMOTES INTEREST IN MEDICAL PROFESSIONS

The Nurses Aides Club seeks to promote in its members an interest in nursing and in other medical professions. To carry out this purpose, it organizes field trips to different kinds of hospitals such as Corozal, Gorgas, and Palo Seco. It also presents films on various medical fields and invites guest speakers to its meetings. This year the two guest speakers were, Mr. Tomlin, the chief medical technologist at Coco Solo Hospital, and Mrs. McDonnell, the school nurse.

The club's most important event is the traditional field trip to Los Negros Island in Gatun Lake, where the members distribute Christmas gifts to each child. This charitable event is planned many weeks in advance. Each girl selects a child to whom she gives a gift, and all the girls collect used clothing, food, and toys for all the children. When all the preparations are finished, the girls embark on a launch lent by the Port Captain's office in order to reach their destination.

Banquets and initiations form also part of the club's activities.

Front row: Sylvia Vamprine, Beverly Olsen, Jacqueline Parker, Judy McLain (president), Jeannette Cox (secretary), Debra Gosney. *Center row:* Irma Monclova, Mardette Garner, Patti Paine, Myrna Gallardo, Olga Gonzalez, Esther Gonzalez, Robin Hartshorn, Terri Overstreet, Nancy Ridge, Mrs. Pfau (sponsor), Nancy Huson. *Third row:* Brenda Egger, Cheryl Caudill, Patricia Hauke, Aminta Cobb, Ivette Cummings, Susan Zachary, Noelia Ortiz, Damaris Torres, Melinda Brown, Maria Nieves, Genevieve Belgrave.

PINK GIRLS SERVE COMMUNITY

Beverly Olsen and Brenda Egger model their Pink Girls uniforms.

Noelia Ortiz and Mr. Byrd, the first aid instructor, demonstrate an arm sling on Irma Monclova.

The Pink Girls are members of the Nurses Aides Club that volunteer their services at Coco Solo Hospital during summer vacation.

Aside from having to belong to the Nurses Aides Club, the Pink Girls must take a first aid course at CHS and undergo one week of training with a registered nurse at Coco Solo Hospital. After being trained, the girls can work in the pediatric, men's, and women's wards, the out patient clinic, the laboratory, the x-ray section, and in the central sterile supply room.

The Pink Girls are required to work five hours a day, five days a week, and sixteen weeks.

The sponsor of the "Pinkies" is Mrs. Howard. She supervises the Pink Girls' graduations which are held as school assemblies. This year the graduation was on December 4.

John Carlisle is greeted by the governor.

The Governor's Youth Council was formed for the purpose of advising those adults who are concerned with governing the Canal Zone, specifically, the Governor and his advisors, as to the desires and complaints of the Canal Zone youth.

Although the representatives were chosen through the school system, they are in no way connected with the school or its activities but are concerned with any prevalent problem of young people. All Councils consist of six members of which one is chosen to attend scheduled meetings with the Governor.

Charter members from Cristobal Junior-Senior High School were: John Carlisle, Gary Robertson, Vicki Kaufer, Denise Ward, Pam Moebus, and Eunice Zachry.

It is hoped that the creation of these groups will further efforts at communication between the Canal Zone Government and its youth.

Eunice Zachry and Pam Moebus return from a splash.

The journey of life is made easier by the ability to get along with one's fellow workers, friends, and neighbors. This is first learned in high school, where one learns to identify with all members of his class; students with different aptitudes working at the same courses.

FRESHMEN

The ninth grade is one of the most exciting school years for a student because it is when he can start to participate in many high school activities. The students of this year's freshman class expressed their enthusiasm by participating in as many school activities as they could. They took part in the Talent Show, the Speech Festival, and joined in many organizations.

High honors in scholarship went to Genevieve Belgrave, Scot Loizeaux, and Judith Tomlinson for the first semester.

This freshman class was composed of 156 students and was sponsored by Mrs. Stone.

SOPHOMORES

The hard working Sophomore officers elected at the beginning of the year represent 177 other students constituting this year's largest high school class.

The Sophomores will surely remember in the future the fun and excitement of being the victors at the Freshman-Sophomore brawl. They may also recall the hard work they did in order to make the Freshman-Sophomore Dance, whose theme was Space Odyssey, a success and the suspense when it was time to announce the king and queen.

As the year draws to an end, the Sophomore can look ahead and see how close the year 72 is and all the excitement of graduation. They now are half way up the High School ladder and need only a push to make it all the way.

SENIORS

Seniors occupy an exalted spot in high school. The "privileged," nearer to completing their journey than any other class, overcoming every obstacle placed in their way. It is in one's senior year that one receives the final touches and preparations made by the high school for the next step in the long journey of life.

SENIORS

This year's Senior Class was one of the most active in the history of CHS. The Senior Privilege Committee obtained for the seniors an open lunch three days a week and an open study hall first and sixth periods. The committee also arranged the Powder Puff Speedball Game.

The Christmas Formal, held at the new "Coco Solo Country Club," was a well attended success. Music was provided by Nacho Malino y su Conjunto, and the 1969-1970 Hall of Fame was announced.

Four seniors, John Carlisle, Vicki Kaufer, Gary Robertson, and Denise Ward, were chosen to represent the senior high school on the governor's newly organized Youth Council.

The Caribbean Staff has tried to record this school year at CHS as best as possible. Composed of less than ten students, it accomplished this task after overpowering many obstacles, and produced the 1970 Caribbean.

The staff wishes to thank all the people who in one way or another made this accomplishment possible. Special thanks go to Mr. Adcock who proofread our copies, Mr. Gansen who took photographs, and to Mr. Koziol who did a lot of everything. Last but not least, we thank Fotografica Panama and the Taylor Publishing Company for their collaboration.

Since September 1950 Cristobal High School has been very fortunate to offer as part of the regular curriculum a Junior Reserve Officer Training Program. CHS is one of 500 high schools authorized by the Army to have ROTC training.

The entire Battalion of 120 boys participated on several occasions as a unit. There were four reviews held at the stadium. On other occasions the Battalion traveled to Balboa for parades or for competition. Culminating the travels and competition between BHS and CHS was the eventful Annual Field Night. A night the boys looked forward to and competed as individuals or members of a squad, platoon, company, or the Drill Team.

Ending the school year was the Awards Ball. This was our formal dress night when awards to our distinguished cadets were given.

NEW ACTIVITIES SPOTLIGHT ROTC

The ROTC had many activities outside the regularly scheduled five hours of instruction. This past year was highlighted by the organization and training of a RANGER platoon. A group of rugged, aggressive cadets participated in Field Training Exercises with the 8th Special Forces. A RANGER patch was awarded to the few cadets who met all the physical and mental standards required.

Other highlights included a leadership school held during the summer. Sixty cadets participated in a strict-disciplinary two week course conducted by the Regular Army NCO Academy at Fort Randolf. A scuba diving course was another first. Twenty cadets received scuba diving certificates for successfully completing the two week course.
